

Contribution Instructions

- If you are interested, you have choices for making your online contribution:
 - You can use the link provided on the website.
 - OR You can use your iphone or android phone by downloading the app. Just search for tithe.ly (picture below) and follow directions to set up your account.

-
- You must set up an account with username (email) and password.
 - You then choose -- Trezevant church of Christ
 - You can give manually each time or set up automatic ACH transactions.
 - You can choose to use a credit card instead but that method costs more.
 - The charge for each ACH transaction is 1% + 30 cents.
 - The charge for using a credit card is higher. around 2.9% plus 30 cents.
 - You will have the option of covering the cost, or not, when you make your contribution. If you choose not to cover the fee, it will be deducted from what the church receives. For example: the charge for \$100 donation is \$1.30.
